MAP SHOWING LOCATION OF GOVT HRANGBANA COLLEGE

IT Enabled CLASSROOMS AND LECTURE ROOMS

Our classrooms come in all shapes and sizes.

Students do learn in traditional lecture halls, but they aren't all as big as you might think.

College classrooms are designed for discussions, and nearly every classroom incorporates technology. Our modern lecture and seminar rooms have fitted with latest multimedia technology including Wireless overhead Projectors, etc with the necessary technology that allow remote access to live lectures .

Classrooms even exist outdoors for some programs. Learning by doing means that classrooms simulate professional environments. Geography students have classes outside the campus and students in commerce department can have practical classes in their computer room.

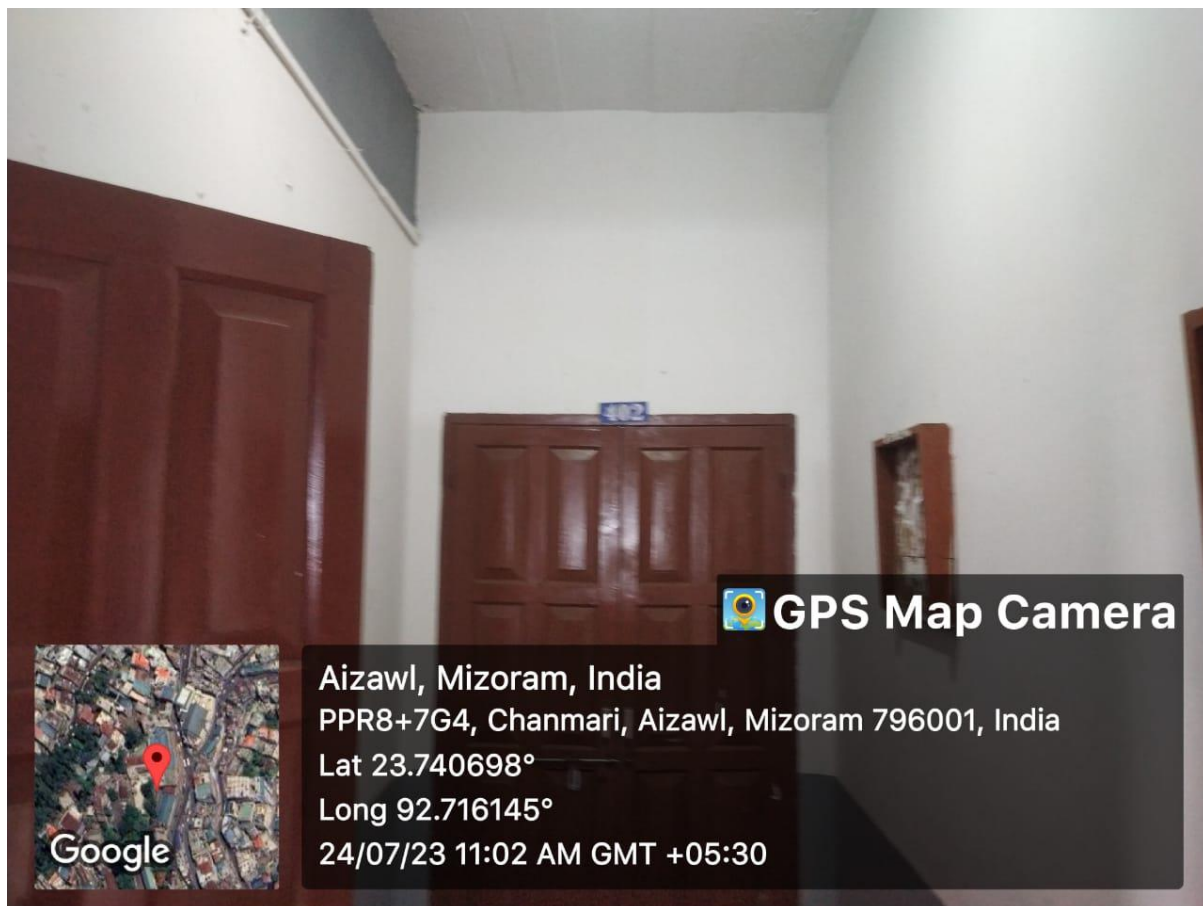

There are 20 class rooms (excluding Conference hall and Auditorium) sufficient to conduct all the courses in one shift of the day.

All classrooms are equipped with LCD/LED projectors. There are free wi-fi zones within the campus especially for the students, and each faculty rooms are wi-fi enabled. Wired internet is also available within the campus.
