Details of the Complaint received and the subsequent Actions Undertaken in response

22nd of November, 2022

On the 22nd of November in the year 2022, a formal complaint regarding a case of sexual assault was discovered within a designated receptacle for complaints situated within the confines of the educational

institution. The complaint, presented in a typewritten format on standard A4 paper, deliberately omitted any identifying details pertaining to the individual who lodged the grievance.

Upon thorough contemplation, it was determined that the issue necessitates the involvement of the Principal prior to determining the subsequent course of action. The proceedings were furthered within the confines of the Principal's Office Chamber, wherein a collective resolution was reached to seek the counsel of a legal authority in order to address the aforementioned issue. A telephonic communication was initiated with a legal expert, who advised the Committee to maintain a state of suspension regarding the issue at hand, given that the complaint lacked a signatory and therefore, remained anonymous.

Given the prevailing circumstances, the Committee's progression was impeded until such time as the identity of the complainant could be ascertained.

The prudent course of action was determined to be a patient observance until November 30th, 2022, to ascertain whether the individual lodging the complaint would disclose their identity or if a fresh grievance pertaining to the same matter would be forthcoming.

6th of December, 2022

On the 6th of December in the year 2022, a meeting of the ICC was called to address the aforementioned formal complaint regarding the matter of Sexual Harassment. This complaint had been received and acknowledged, leading to the scheduling of a meeting on the 22nd of November in the same year. The primary objective of this meeting was to engage in a thorough and extensive discussion on the aforementioned issue. The matter in question had undergone extensive deliberation with a legal specialist, to whom the committee had duly informed about the lack of a signatory and the anonymous nature of the complaint. Due to the mysterious nature of the claimant's identity, the committee encountered an obstacle impeding the progression of its deliberations. Pursuant to the legal advice proffered by the legal authority, the committee has reached a decision to exercise prudence and forbearance until the designated date of November 30th, 2022, with the aim of ascertaining the true identity of the complainant.

In light of the fact that the individual who filed the complaint has chosen to remain anonymous and no additional grievances have been raised regarding the aforementioned issue up to this point, the Committee has collectively decided to expeditiously conclude the case.

Agenda : Sexual Assault Complaint (retrieved from Complaint Box)

The Presiding Officer, Dr Rohmingliani greeted all the members and informed the members that a Sexual Assault Complaint has been submitted. She gave further details about the complaint saying that the complaint was in a type-written form on A4 paper without any information on the identity of the Complainant. She urged all the members to maintain complete confidentiality due to the serious nature of the complaint.

After careful deliberation, it was decided that the matter should be taken to the Principal before deciding the next course of action.

The meeting was continued in the Principal's Office Chamber where it was decided to consult a legal expert on the matter. A phone call to a legal expert was made and the Committee was counseled to keep the matter in abeyance since the complaint had no signatory and was thus, anonymous.

Under such circumstances, the Committee could not proceed further until and unless the identity of the complainant was discovered.

It was decided to wait till the 30th November, 2022 to see if the complainant would reveal his/her identity or if a fresh complaint on the same issue would be received.
