Innovation Club has been actively functioning since its formation. It consists of around 200 members and among these members; around 50 members actively participated in it.

The main objective of Innovation Club is to motivate the students in developing their ideas to start a business and also to drive the skills and imagination of students towards entrepreneurship.

In order to achieve the objectives, a number of activities were performed. Some of them are:-

- 1) **Personal Development Programme** : Under IQAC, PDP was organized between 13th – 26th Sept. 2017 and seven representative members of the club attended this programme and received a certificate.
- 2) **Seminar on intellectual property rights** : Seminar on IPR was conducted under Universe Research Foundation at Hotel Floria on 29th Jan, 2018 and 10 representative members of the club participated in it.
- 3) **Skills Development Programme** : SDP was conducted under IQAC, GHBC between 10th – 21st Feb, 2018 at GHBC conference hall. In this programme, a resource person was chosen by each club from GHBC and our club chooses Mr.F.Kapsanga, a successful entrepreneur and Mr. Lalhruaitluanga Asso. Prof Govt. Zirtiri Residential College and Managing Director of Zo Career Solution as a resource person. They each gave an enlighten speech to explore the minds and ideas of the students towards entrepreneurship and success in life. Questions and answers were exchanged and the students benefited a lot from it.

- 4) **Mizoram Kailawn:** A number of members of the club participated in the Business Plan Contest organised by Mizoram Kawilawn and among the winners, Lalrindika , 4th Sem, Commerce student was also selected.
- 5) **2-days Hackathon:** The club participated in the 2-days Hackathon entrepreneur development camp at SIRD & PR, which was organised by MZU at Durtlang and won all the awards from 1st prize to 3rd prize.

6) **STUDY TOUR**

During an Even Semester, a Committee held among the OB of the Innovation Club and Dr Lalbiakzuali , have decided that a study tour was to be held before the end of the year. Then, necessary process was carried out and actions were taken right away. A member registration was opened and then after careful consideration on where the tour was to be conducted and what would be most helpful for the student, we, the in-charge have decided that Gangtok, Sikkim as our Destination.

And then there was a question on how to raised the fund for the tour, but with the knowledge and thoughtfulness of Dr Lalbiakzuali, we have decided to make a proposal to NEDP, in hopes that they might be able to sponsor the study tour. Then an organizing committee was formed to organize the programme of the tour. With their fast and impeccable work of the organizers, we were able to confirm who could participate among the members and we were also able to have a neat and firm programme planned for the tour in such a short period of time.

Then our proposal was submitted to NEDP. Fortunately, by the grace of God and thankfully to the kindness of the great worker of Planning Department our proposal was accepted and we were able to get the fund that we need and have a successful tour trip to our main destination, Gangtok, Sikkim.

ITEMS

CONCLUSION

WHAT WE LEARN FROM SIKKIM

- 1) When we visit different places in Sikkim, we were impressed with its cleanliness. One is not allowed to throw garbage anywhere on the streets and to make sure this doesn't happen dustbins are kept around the state.
- 2) People in Sikkim are humble and polite. They are ready to help and listen to what we are saying.
- 3) In Sikkim, we do not have to worry about people smoking and we inhaling those because they follow strict rules about ban in public places
- 4) The use of plastic bags and polythene are banned in Sikkim, they only use Paper bags
- 5) During the time we spent in Sikkim, we did not face any problem regarding traffic jam as compared to our State.
- 6) Drinking alcohol is not prohibited in Sikkim, so alcohol are easily available. But, to our surprise we didn't see anyone getting drunk and creating problems
