

DOCUMENTARY EVIDENCES

for

6.1.1 - Institutional Governance and Leadership (Page 2)

6.2.1 - Strategy Deployment (Page 3)

6.5.1 - Internal Quality Assurance Cell (Page 4)

GRIEVANCE:

The above points are the very essence of our 44 years of existence, we pride in our democratic and all inclusive governance and leadership. Our strategy sees the holistic development of our students, resulting in even now, as seen by the peer team themselves, the state of Mizoram is presently governed by nine alumni legislators, alumni bureaucrats in the highest offices, alumni entrepreneurs that give back abundantly, students excelling in academics, arts, music, numerous awards including Olympics and other international arenas. The college has made Institutional Development Plan that has been backed up by project proposals to be implemented immediately in the near future.

IQAC has implemented numerous initiatives not only for the benefit of the college but the state as a whole, a dynamic set up that is strategically and ICT based mechanism that facilitates and oversees all functions and activities with full proof feedback system.

YET WE RECEIVED ONLY 2 POINTS in these three metrics.

APPEAL : We request a review and we earnestly request 4 points that we truly deserve.

Criteria 6.1.1

The institutional governance and leadership are in accordance with the vision and mission of the Institution and it is visible in various institutional practices such as NEP implementation, sustained institutional growth, decentralization, participation in the institutional governance and in their short term and long term Institutional Perspective Plan.

As per the evaluation, our college was awarded only 2 marks out of 4. Upon reviewing the evaluation criteria and the initiatives undertaken by our college for implementing criteria 6.1.1, we would like to request a reconsideration of this assessment.

The table below shows the supporting documents for criteria 6.1.1

Vision & Mission The college strives to provide holistic and quality education within the reach of all. *Govt. Hrangbana vision for the next 10-15 years is to expand, upgrade and develop its education system and all related activities, to the pace of the changes in the external environment and internally gain momentum through quality assurance, to gain an edge in all its endeavors.*

Affiliation and Recognition The institution is governed by the Government of Mizoram under the Directorate of Higher and Technical Education. Being affiliated to MZU, all curricular, evaluation and examination decisions are under the supervision and directives of the university

Institutional Governance The institution is governed by the Government of Mizoram under the Directorate of Higher and Technical Education. Internally, the nature of governance is democratic and participative. It is a three-tier functional departmentation – the academic, administrative and, the library.

NEP 2020 The mission and goal are adapted dynamically and continually to the needs of emerging educational system such as the new implementations of the NEP 2020.

Institutional Distinctiveness The college incorporates a holistic education approach into academia. The curriculum is made in such a way that it addresses not only the intellectual capabilities but also the emotional, social, physical, creative, and spiritual dimensions of the students.

Green Audit Report The college has taken various initiatives to make the institution environmental friendly and green campus. Based on the latest green audit report, the main college campus and women hostel have been graded A+ and boys' hostel at Muthi has been graded as A.

E-Governance E-Governance is implemented to promote transparency and accountability within the institution. The college runs its own website and social media platform. Class rooms are ICT enabled and free wifi is available on staff room, main office and arena. College Learning Management System

(LMS-Moodle) is used by teaching faculty to provide online study materials to students. ERP developed by Hereus is used for academic data management. Funds received from the government are managed through software such as Public Financial Management System and Integrated Financial Management System.

From the above table and points that are mentioned, the college has taken various initiatives to effectively implement the parameters described in criteria 6.1.1. Despite the college being committed in implementing the parameters for criteria 6.1.1, the NAAC peer team have given a lower score than anticipated. Therefore, the college would like to kindly request to reconsider the points that have been awarded to criteria 6.1.1. taking into account the evidence provided in the supporting documents.

APPEAL ON 6.2.1

The institutional perspective plan is effectively deployed and functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment, service rules, and procedures, etc.

Expected mark – 4 Mark awarded – 2

Our college, being a government college, functions as per the directions given by the State government in all the areas like administrative setup, appointment, service rules and procedures. At the same time, it effectively deployed its various perspective plans as has already been mentioned and uploaded in the SSR. Therefore, we request for a review of the marks given in the assessment.

In 6.2.1, the institute, being a government college, complies with the government rules and regulations. At the same time, it made plans and successfully deployed them in accordance with the state government's rules and directions. The Principal of the college works in close cooperation with the head of departments to regulate and maintain a congenial and academic environment. As the head of the institution, along with the Planning Board, IQAC, RUSA - Board of Governors, Teaching faculty and Establishment, he implements the decisions and policies of the management. For the overall academic development, the institute plans to open new subjects of teaching from time to time. The Government has kindly consented to the introduction of PG course in Commerce from the academic session 2021-2022 and accordingly the college has started its process of affiliation from the affiliating University. The college, apart from being a government college, has successfully deployed all its development plans and has made great achievements in every field, academically as well as in other fields. Maximum 4 marks is anticipated by the institution but has been awarded only 2 marks. The college appeals to kindly review the allotted marks awarded for the said metric.

APPEAL ON 6.5.1

Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes. It reviews teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals and records the incremental improvement in various activities
